Underlined text indicates change from the previous document.

GerberMag™

Feature	Benefit
Edge Ready Manufactured and converted by Gerber for use with Gerber Color Foils and the GERBER EDGE. Precision punched.	<ul style="list-style-type: none"> • Optimal printing results mean less wasted material and greater profits. Superior finished product translates into repeat business. • Precise punch pattern provides outstanding print registration with the EDGE and perfect tracking through Gerber plotters. This means less wasted material, greater productivity and increased profits.
Can be cut with 15" GRAPHIX ADVANTAGE compatible Gerber Plotters	<ul style="list-style-type: none"> • The EDGE prints right on the white vinyl face of this magnetic material. That enables the EDGE owner to contour cut around printed graphics and magnetic material in one step. This eliminates the need for die cutting, saves time and increases productivity. Create unique shapes for customers. Adds value to the finished product and will lead to greater profits.

GerberMag is an excellent material choice for the production of novelty items, ad specialty pieces, refrigerator magnets, and business cards.
